We hereby certify that composition of *SILOSTOP Black 55 μ Oxygen Barrier Film* is in compliance with the Commission Directive 2002/72/EC of 6 August 2002 relating to plastic materials and articles intended to come in contact with foodstuffs, as well as it's latest amendment No 10/2011 of January 2011.

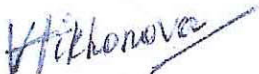

However, we are aware that the composing monomers and additives that were used in manufacturing have specific migration requirements, so overall migration test should be carried out on the finished product.

Our certification may not be valid in the following cases:

- Any further modification to the product;
- Any inadequate use and/or storage of the film product.

This certificate is valid for one year from the date of issue.
